

SPECIALTY POLYMER COATINGS, Inc.

Innovation Is Our Specialty

SPC is the leading formulator manufacturer and supplier of "State of the Art" 100% solids (no VOC's) liquid epoxy and polyurethane coatings.

In the **Pipeline Industry** SPC products have become the standard liquid corrosion protection coating for the coating of **Valves, Fittings, Fabricated Assemblies, Girth Welds and Slip Bore / Directional Drill Pipe.**

Some Recent Projects Include:

Alliance Pipeline
Corridor Pipeline
Maritimes and Northeast Pipeline
Southern Crossing Pipeline
Vector Pipeline
Yucatan Peninsula Pipeline

SPC manufactures products exclusively for large scale pipeline rehabilitation projects. In excess of 300 miles of large diameter pipeline have been recoated with SPC systems. This has included brush / roller application, plural component hand spray and automated line travel spray, both in and out of the ditch. SPC products are employed as repair coating on investigative digs for corrosion and SCC.

SPC coating systems are rated for in-service temperatures up to 302°F (150°C).
